

Oasis Community Garden

THANK YOU everyone!

It all began like this...

But with wonderful
financial support from

Garfield Weston Foundation
Florence Turner Trust
Helen Jean Cope Trust
East Midlands Baptist Association
Oadby Educational Foundation
and church funds

along with volunteer hard work
and lots of tea & cake we...

Knocked down the shed

Renovated the paving

Replaced some & painted all, the fencing

whilst having some great conversations & catching up on life after covid

Built the raised beds

Built the greenhouse

...who would have guessed it would take so many days to construct?!

Filled the beds with 4
truckloads of compost

with brilliant help from
Compost Amigo and a
huge team of volunteers

We lost track of how many barrow-loads it took and were so grateful for all the help!

Finally, on September 4th 2021, we were ready to use the new community garden!

For young and old
Girls Brigade, Boys
Brigade,
Bulrushes, Tuesday
Fellowship,
the 4 o'clock group,
Youth Housegroup

For barbecues and social
evenings and picnics and
student lunches

And so much more

A space where everyone
belongs and everyone is
welcome.
